

A SPORTS DAY AT FERDO VESEL PRIMARY SCHOOL

The students from the fourth class onwards went to Gradišče on 15th September 2016 at 8:00 a.m. Five teachers went with us. At first we went through Petrušnja vas to Dolina pod Kalom – motocross. It was already ready for the match next Sunday, when they will host the world champion in motocross - Tim Gajser. We had a snack. Then we continued through the forest to Culka. At last we came to Gradišče. The way was quite steep. Finally we arrived at our destination. We did what we wanted and we had an ice cream. We went back to school at 11:50. We got back home tired, but happy.

The Lavrič cottage is located only a few metres below the summit of the hill Gradišče (519 m) on which stands the church of St.Nicholas. There is a great view of Ivančna Gorica, the Dolenjska and Notranjska hills. There are other routes to Gradišče too.
